The screenshot shows the GitHub profile page for user johnpatrickryan. The browser's address bar displays the URL <https://github.com/johnpatrickryan>. The profile includes a pink pixelated avatar, a bio, and statistics: 0 followers, 0 starred repositories, and 0 following. A 'ProTip!' banner suggests updating the profile. The 'Overview' tab is selected, showing popular repositories (currently empty) and a contribution graph for the last year, which is currently empty. A summary of pull requests, issues, and commits is also visible.

The screenshot shows the GitHub repository page for johnpatrickryan/RyanCMPT220. The browser's address bar displays the URL <https://github.com/johnpatrickryan/RyanCMPT220>. The repository is currently empty, with 0 watches, 0 stars, and 0 forks. The 'Code' tab is selected, showing options to set up the repository on a desktop or via HTTPS/SSH. The SSH URL is <https://github.com/johnpatrickryan/RyanCMPT220.git>. The page also provides instructions for creating a new repository or pushing an existing one from the command line.
